Subject: Request for Pamela Kalman Overtime
Hello Paolo:

As you may know, today we announced the Toyota-Lexus Consumer Safety Advisory related to Potential Floor Mat Interference with Accelerator Pedal. We are working very closely with TMC and TMA-DC as they have a very tight deadline to get the appropriate report completed and submitted to the agency. They have requested data which is vital in preparing this report.

Theresa and Pamela have been very cooperative and pro-active in assisting us with this important data. Pamela is directly assisting us in the data extractions. She will undoubtedly incur overtime to complete this vital task.

If you would please assist us by approving her overtime, it would be greatly appreciated.

Thank you for your support!
